

# *Become a Sponsor of* the American Solar Grazing Association!

## ASGA Farm Equipment and Supply Sponsorship - \$3000

ASGA's community includes the majority of active solar graziers and many sheep ranchers interested in becoming graziers. On our network, we host regular virtual educational events for members to learn key aspects of solar grazing.

Your sponsorship will support one virtual education workshop for ASGA members and provide an opportunity for solar graziers to learn about your company.

### SPONSORSHIP BENEFITS:

- Present to our membership at the beginning of the virtual event
- Your logo, website, and a short description will be sent out to our 1,100 members in the event announcement and recording emails, and be included in the network posts about the event
- ASGA Membership for your company
- Logo placed on our website

### WHAT YOU'RE SUPPORTING:

- Developing technical assistance factsheets and guides for sheep ranchers
- Creating solar grazer case studies
- National outreach efforts to promote solar grazing through films and events
